Hi!

Thanks for a quality  
"Made in Ga" lower,  
sodium ham slice!  
The buy them Quality  
Foods, Hartwell, Ga. I'm  
very sensitive to sodium  
but can eat this product  
in small quantities

Mint

Dill

Rosemary

The "made in USA" and especially "made in CA" is what I shop for. So so fed up with "China!"

Thanks again & keep it up!
