**Subject:** INQUIRY: How to Order Case of Products (live in Michigan) Personal Consumption

Good morning!

Could you advise me as to how I can get your products shipped to us in Michigan? We have family in Georgia and Florida...while visiting there less than a month ago, we stopped in a local restaurant where we ate breakfast. The sausage was awesome, so I asked the manager where they could be purchased and he told me they could only be obtained locally.

My husband and I would love to enjoy these sausage (and others if available) all the time, as we have Southern roots and enjoy Southern foods. Could you please let me know how I can go about ordering your products by the case to be shipped to us here in Auburn Hills, Michigan?

Thank you so much for your time and I look forward to your reply (my husband even more than me, I believe 😊).

Sincerely,

Elaine
