Subject: Inquiry

To whom it may concern,

Last Thanksgiving I was in Florida visiting with my Father and Sisters and we had a Lee brand ham for dinner. It was the best ham my wife and I have ever had! I live in Texas near Dallas and we have been looking all over for more of your ham products with no success. Would you please assist me by directing me to a retailer that carries your product in our area?

Thank you, and best regards,

Russell
